Speakers Talk About School Mill Increase

Three speakers appeared before Hope Kiwanis club Tuesday and urged support of the proposed five-mill increase in school tax which comes to a vote on Tuesday, December 4.

Brief talks were made by Jack Gardner, George Frazier and Eddie Whitman, with Mr. Gardner taking the lead in discussing the proposed millage increase from 35 to 40 mills.

Mr. Gardner said that 75 percent of the increased tax revenues, if approved by the voters, would go for improvement of negro schools and the other 25 percent for increased teacher salaries which he estimated at from \$75 to \$100 per year for all teachers.

Mr. Gardner said it was necessary to improve the facilities of the Negro schools in order to keep their rating in the North Central Association. Only 13 Negro schools in Arkansas are members of the association, Mr. Gardner pointed out.

The proposed increased tax would amount to \$5 per \$1000 assessed valuation, and would net the schools about \$36,500 per year additional revenue.

He further pointed out that increased and equal assessments might be the answer to the school problem, but that time would not permit his method of solution.

Mr. Gardner went ahead to say that county-form of government was antiquated and needed a general "over-hauling."

He suggested a County-Manager form of government, similar in ways to the City-Manager type which the city of Hope adopted seven years ago.

Parade to Escort Santa Into Hope

Wednesday, December 5, at 4 p. m. Santa Claus will ride into Hope on a pontoon boat, escorted by the Hope High School Band. He will be welcomed by Mayor Frank Douglas and the Garland Glee Club.

The parade starts from Child's Food Store, travels down Second St. to Main, circles the block and stops in front of Scott's Store on Second.

There, after a short program, Old Santa will award 10 special gifts to 10 children selected as winners. Children ages two to eight can register now for one of the special gifts. There is nothing to buy but a child must be present to receive a toy.

Santa will remain in Hope through December 15.

Weather

Total 1962 precipitation through October, 43.38 inches; during the same period a year ago, 46.46 inches.

Experiment Station report for 24 hours ending at 8 a.m. Wednesday, High 52, Low 42, Precipitation .11 for an inch.

Arkansas Regional Forecast
By THE ASSOCIATED PRESS

Central Arkansas: Partly cloudy and continued warm this afternoon, tonight and Thursday. High today mid-50s to 60. Low tonight upper 30s to low 40s. High Thursday near 60. Partly cloudy and mild Friday.

Southwest Arkansas: Cloudy to partly cloudy and mild through Thursday. High today 54-56. Low tonight 44-48. High Thursday 56-62. Cloudy Friday.

Southeast Arkansas: Cloudy to partly cloudy and mild through Thursday. High today 54-58. Low tonight 40-46. High Thursday 56-62. Cloudy Friday.

North Arkansas: Partly cloudy and mild today through Thursday. Continued on Page Three

Bulletin

DALLAS, Tex. (AP)—The Southern Association of Colleges and Schools allowed the state colleges and universities of Mississippi to retain their full accreditation today but warned that accreditation could be taken away at any time.

Wilhelmina, Dutch Queen Dies at 82

By HENORICK KERSTING

APELDOORN, Netherlands (AP)—Former Queen Wilhelmina of the Netherlands, the last of Europe's Victorian queens, died in her sleep at her Het Loo palace early today. She was 82.

Queen for 50 years, she reigned through the zenith of the Dutch empire and exile during the Nazi occupation of her homeland. She abdicated in 1948 as Netherlands' ruler in the East Indies neared its end. Her daughter Juliana became queen.

The former queen had suffered from diabetes and in recent weeks developed a heart condition. A medical bulletin said "despite a slight improvement her condition took a turn for the worse yesterday" and death came at 12:59 a.m.

Queen Juliana was at the palace with her mother, but other members of the family were scattered. Prince Bernhard was with the youngest Princesses Margriet and Marijke at Soestdijk Palace. Princess Irene was visiting in England and Crown Princess Beatrix was in Hong Kong on a world tour.

Princess Beatrix, it was announced, will return home at once cutting short a trip that was to have included Japan and the United States.

Like England's Queen Victoria, Wilhelmina was called to the throne at the age of 18, married a German consort, was a stickler for the formalities and conventions, and practiced homely virtues as an example of her people.

World War II was a turning point in her life. She escaped to England by ship four days after Hitler's armies invaded her country and spent the war years there except for a trip by bomber to the United States to address Congress and a trip to Canada in 1943 to visit Juliana and her daughters.

She encouraged the Dutch army to exile and rallied the resistance at home. Sir Winston Churchill called her "The best man among all the kings in exile."

At the war's end she put on her oldest coat and rode a jeep for her triumphant return to the island of Zeeland where bombing had left the sea waters through the dykes.

Conservative officials called her a "Red" when she went on the air and declared that the Dutch East Indies must be given their independence. One of her last official acts was to declare Indonesia equal with the homeland under the crown. But this did not prevent the Indonesians from breaking away finally, setting up their own nation in 1949 and seizing all Dutch businesses in the dispute over New Guinea.

In 1948, after celebrating her golden jubilee, the aging queen abdicated in favor of Juliana and went into retirement. So there would be no question as to who was queen, she took the title of Princess Wilhelmina.

Born Aug. 31, 1880, Wilhelmina was the only child of King William III of the royal house of Orange-Nassau and Princess Emma. She was only 10 when the king died and her mother served as regent until Wilhelmina became 18 and ascended the throne in 1898.

Three years later she married Prince Hendrik, royal duke of Mecklenburg, who died in 1934.

Mrs. Bennett, 79, Dies Today at Home Here

Mrs. Mattie Bennett, aged 79, longtime resident of this area, died today at the home of a daughter here.

Survivors include three sons, Roy of Hope, Wilton of Guyton, Okla., Ernest Bennett of Tucson, Ariz.

Six daughters, Mrs. Della Beck, Mrs. Dorothy Downs and Mrs. Ruth Givens, all of Hope; Mrs. Emma Faught of Alexandria, La.; Mrs. Georgia Honea of Camden and Mrs. Maude Valentine of Washington.

Services will be held at 10 a. m. Thursday at Herndon-Cornelius Chapel. Burial will be in Ayers Cemetery.

Active pallbearers: Dick Turnage, Orrie Byers, W. C. Beck, Rufus Crawford, Bob Porter and C. L. Faught.

AEC Plans Shaft for Research

LAS VEGAS, Nev. (AP)—The Atomic Energy Commission has announced plans for construction of a 1,300-foot shaft for use in a seismic research program to improve underground detection of nuclear detonations.

The shaft will be 28 miles southwest of Fallon, Nev., in the Sand Springs range.

The project, called Project Shoal, calls for underground detonation approximately 10 kilotons, 1,200 feet down in the granite of the mountain range. That is equivalent to 10,000 tons of TNT.

Labor Frowns on Pirating Industry

LITTLE ROCK (AP)—Delegates to the Arkansas AFL-CIO meeting Tuesday heard one labor leader say a Negro leader was responsible for labor criticism and another urge that states not pirate industry from one another.

Joe Beirne, president of the Communications Workers of America, said Herbie Hill, director of the labor division of the National Association for the Advancement of Colored People was responsible for the differences between labor and the NAACP.

He said Hill "seems to be a man with a mission, but it's not one that is understood. He seems to be motivated by the thought that 'you agree with me or be destroyed.'"

Beirne termed the NAACP "tragically wrong" in attacking the AFL-CIO and complaining that labor was discriminating against the Negro.

Labor, he said, emphasizes the dignity and value of the individual. It does not have to apologize to any "johnny-come-latelys" for its beliefs and practices.

He said Hill was more interested in overemphasizing the few differences between the NAACP and the AFL-CIO than in heeding the many things the two groups have in common.

Beirne said the real strength of the labor movement and the things it supports lies at the local level.

Earlier Emil Macey, secretary-treasurer of the United Auto Workers International, told delegates that the fighting of saes to pirate industry from one another is futile.

Such pirating, he said, won't solve anything in a nation with four million unemployed.

A full employment economy would take care of the economic problems the states are scrapping each other to end, he said.

"Getting an industry at the expense of another state doesn't solve anything," he added.

Alabama to Follow Ole Miss Action

JACKSON, Miss. (AP)—Alabama Gov.-elect George Wallace says he plans to follow in the footsteps of Mississippi Gov. Ross Barnett to try to thwart any attempts to integrate Alabama schools.

Wallace, who had campaigned to defy federal authorities on desegregation, said Tuesday he plans to ask the Alabama Legislature to take whatever steps are chief defendant in any future school desegregation suit.

He told a joint session of the Mississippi Legislature the next federal decree against an Alabama school would have to be directed against him as the governor.

"This, in essence, I believe, was your governor's intention," Wallace said. "But he was denied the right to peacefully test by due process what he considered to be a usurpation of power by federal authority."

"He was denied the right to have the question peacefully go through the court," he said.

Wallace's proposal may be put to a test soon. The white University of Alabama has on file three applications from Negroes for enrollment for the spring term beginning in February.

Bids Received

HEBER SPRINGS, Ark. (AP)—ArkMo Construction Company of Blytheville was apparent low bidder Tuesday at \$68,265 on improvements and additions to facilities at Heber Springs. The project will be financed by a \$82,000 grant of the Area Redevelopment Administration and will be mainly for benefit of the \$350,000 Ely-Walker shirt factory now under construction here.

Jury Plans Probe of Spa Gambling

FORT SMITH, Ark. (AP)—The federal grand jury for the Western District of Arkansas will meet Dec. 11 to investigate gambling in Hot Springs night clubs.

Subpoenas were served on several Hot Springs residents Tuesday, instructing them to appear at the special grand jury session to testify on the matter.

Reliable sources said some of the people subpoenaed were employees of clubs.

U.S. District Atty. Charles Conway said the subpoenas were issued but he would not give further information.

The grand jury apparently will be checking to see if Hot Springs gambling operations violate any of the three new federal gambling laws.

Lone law prohibits transporting anything that is to be used for gambling across a state line. Another prohibits crossing a state line or using the mails to "promote, manage, establish or carry on" gambling in a state where gambling is illegal. It also prohibits crossing a state line or using the mail to distribute winnings.

A third law eliminates the use of racing wires for transmitting betting information across a state line, but it was not believed that the grand jury would be concerned with that in its Dec. 11 meeting.

Racing wires at Hot Springs were reportedly discontinued after the new law went into effect.

Two cases involving Arkansas already have come to court under the new laws. Andrew S. Bass, 44, operator of a West Memphis night club, was convicted of causing six men to cross a state line to conduct gambling games for him.

The trial was in U. S. District Court in Jonesboro and Bass has appealed.

In Moffett, Okla., several men were convicted in a gambling operation which drew operators from Fort Smith.

The Hot Springs Sentinel-Record reported Sunday that Hot Springs gamblers had set up a school to train local residents to run games so professionals would not have to be imported from other states.

Woman Sues Drug Co. for \$100,000

HOT SPRINGS, Ark. (AP)—A 60-year-old Hot Springs woman who claims she took a drug that caused her loss of hair and permanent baldness has filed a \$100,000 damage suit against the drug's manufacturer.

The suit, filed in U.S. District Court here by Mrs. Bernice Stutlin, is the third filed in the past two weeks against the William S. Merrell Co., a division of the Vick Chemical Co., of Delaware.

Mrs. Stutlin said she used the drug Mer-29 (triparanol) for reduction of blood and tissue cholesterol. She said the drug was prescribed by her physician in the latter part of 1960 and that she used it until the spring of 1962.

She said seven months after she began taking the medication, her hair began falling out rapidly and a bald spot appeared on the crown of her head.

She was then taken off the drug by her doctor, Mrs. Stutlin said.

Her suit alleges the Merrell firm not only advertised the drug but recommended its use. She claims the drug, because of its alleged toxic effects on the human body, was taken off the market in 1962.

She also contends the company was negligent in testing the drug for clinical consumption and use and did not properly warn the public of its alleged danger before withdrawing the product.

Dr. Burt Friedman of Memphis filed a \$10,000 suit in U.S. District Court at Memphis, alleging use of the same drug caused him loss of hair and caused cataracts to form on both eyes.

Mrs. Flora W. Brouse, also of Memphis, has filed suit for \$175,000 charging multiple hurts from the drug.

Wound Fatal

PARIS, Ark. (AP)—Wayne Willman, 17, of Paris died Tuesday in a Little Rock hospital from a shotgun wound received Saturday night. Police said the shooting occurred at the home of a neighbor, J. W. Goldsworthy, where the victim and his brother, Joe, were visiting. Prosecuting Attorney J. H. Evans said Goldsworthy, 74, was being held in the Logan County jail, charged with first degree murder.

U.S. Fires Test Underground

WASHINGTON (AP)—The United States has fired another underground nuclear test shot in Nevada.

The Atomic Energy Commission described the test made Tuesday as one of low yield. That means one with an explosive force of 20,000 tons or less of TNT.

The test was the 37th announced in the Nevada series which began Sept. 15, 1961.

Consolidation of Schools Discussed

LITTLE ROCK (AP)—Education Commission Arch Ford said Tuesday 114 of the state's 417 school districts now have less students than the minimum cutoff for consolidation under a 1948 initiated act.

Ford appeared before the state Legislative Council to discuss the department's request for a budget of \$63,035.

The 1948 act required that any district with less than 350 students be consolidated.

"I'm not arguing for or against consolidation," he said. "But we have a real problem here. We have 114 districts which are smaller than what the people thought they were abolishing in 1948."

The Education Department does not plan to sponsor any school district reorganization program in the 1963 legislature, he said.

The department's budget calls for an increase of about \$6.5 million in state turnback aid to school districts, for a total of \$47,092,000. It also calls for a \$500,000 increase in funds to aid transportation, for a total of \$6.5 million.

The legislators questioned a \$100,000 budget item for adult education, with some saying they did not think funds for that purpose should come from the public school fund.

Gov. Orval E. Faubus had recommended allocation of \$7,177,100 to the department. The principle difference in Faubus' figure and that of the department is a \$6.5 million item for teacher retirement.

JFK Praises Men for Space Age Work

WASHINGTON (AP)—In an after-dinner ceremony Tuesday in the White House rose garden President Kennedy greeted 37 men who helped in the birth of the atomic age 20 years ago.

Kennedy told the scientists and their families that it is the responsibility of world leaders that nuclear energy is used for benefit of all.

The 37 made up most of the scientific team that under the late Enrico Fermi triggered the first man-made nuclear chain reaction Dec. 2, 1942, at Stagg Field Stadium at the University of Chicago.

Glenn T. Seaborg, Atomic Energy Commission chairman, showed the President a model of the Fermi reactor which will be exhibited at the new Smithsonian Institution building here. Imbedded in the model is a one-inch tube of uranium from the original reactor fuel.

In the light of the garden lamps, Kennedy praised the "intimate alliance between government and science" forged in 1942 which he said has contributed to the progress of mankind.

Red Trouble Shooter Will Meet Kennedy

By ENORE MARTON

WASHINGTON (AP)—President Kennedy and Soviet First Deputy Premier Anastas I. Mikoyan are expected to discuss not only Cuba but the full range of the cold war problems when they meet Thursday at the White House.

U. S. Officials said he Soviet troubleshooter sent word through Soviet Ambassador Anatoly F. Dobrynin that he wanted to confer with Kennedy.

Dobrynin met Mikoyan Monday on his arrival in New York from Havana and rushed back to Washington that night with the message to the White House.

For weeks Mikoyan was in Cuba reportedly trying to pro Cuban Prime Minister Fidel Castro into accepting a settlement of the crisis.

The White House announced Tuesday that Mikoyan would call on Kennedy Thursday, but officials added it was safe to assume they would meet again on Friday.

Because there is no agenda for the talks, officials are reluctant to speculate on what issues will be raised by whom.

There appears to be a consensus, however, on two points: that the Cuban issue will be only one of many to be discussed, and that the international problems in which the two countries are directly involved probably will come up.

The necessity of starting a new dialogue on outstanding issues was raised by Soviet Premier Khrushchev in his Oct. 27 letter to Kennedy.

In this letter he proposed that the United States, in response to the removal of Soviet offensive weapons from Cuba, abolish its bases in Turkey and pledge non-interference in Cuban affairs.

Such an agreement, Khrushchev said, "could serve as a good beginning and would in particular make it easier to reach agreement on the banning of the tests of nuclear weapons."

This first step, Khrushchev continued, could serve as a "good impetus toward the quest of mutually acceptable agreements also on other controversial issues."

In reply, Kennedy said he would be prepared to consider with this country's allies a detente affecting the North Atlantic Treaty alliance and the Communists Warsaw Pact nations.

In recalling these exchanges, U.S. officials cautioned against expecting too much from Mikoyan's visit.

Scouters Banquet Set for Dec. 11

At a meeting of the Piney Woods Boy Scout District at Hope Methodist Church last night plans were made for the annual Scouters banquet to be held at 7 p. m., Dec. 11 at the Chuck Wagon at Emmet.

Scouters are urged to purchase tickets prior to the banquet from Scoutmasters Jerry O'Neal or Olen Overburt.

District Executive Lynn Murphy announced that a Round Table will be held Tuesday, Dec. 4 at First Methodist Church for Unit Leaders, Den Mothers, Scoutmasters, Explorer Advisors and other adults interested in Scouting.

18 Missing in Typhoon Wake

MANILA (AP)—Three persons were killed and 18 others were reported missing today in the wake of Typhoon Lucy which lashed across the central Philippines and roared into the South China Sea.

Living Cost Declines, U.S. Reports

WASHINGTON (AP)—Living costs as measured by the government declined one-tenth of one percent in October. It was the first retreat recorded during 1962 in consumer price costs.

Somewhat lower store prices for meats, reversing part of a large increase in September, were primarily responsible for the slight decline announced by the Labor Department today in the living cost barometer.

The index dropped to 106.0 percent of the 1957-59 average. On the former 1947-49 base the index was calculated at 130.1.

Arnold E. Chase, price division director of the Bureau of Labor Statistics, said various shifts in prices should result in a further slight decline in November living costs.

Despite the October decline, the living cost increases in immediately preceding months were sufficient to require pay increases for approximately 1 million workers whose wages are partly geared to a quarterly living cost adjustment.

Rise of one cent an hour will go to about 780,000 workers in the auto and auto parts industries, the bulk of them employees by General Motors, Ford and Chrysler.

About 110,000 employees of the farm equipment industry and some aerospace industry workers also will get one-cent hourly increase.

In addition 11,000 workers in scattered businesses are to get two-cent hourly increases.

Compared with a year ago the October living cost level was 2.3 percent higher. The last time the government living cost index declined was in December 1961.

Prescott Votes Bonds for Plant

PRESCOTT, Ark. (AP)—Voters in Prescott approved an \$185,000 bond issue Tuesday that would provide a new plant for the Masterfit Garment Company. There were 615 vote for the measure and 37 against in the unofficial count. The firm said with the expansion it could double the number of employees it now has, 95, and double its output.

Labor Trial in Progress at Paragould

PARAGOULD, Ark. (AP)—National Labor Relations Board trial examiner Thomas F. Maher recommended today that two motions of the International Association of Machinists, AFL-CIO, against the Blades Manufacturing Corp. of Rector be dismissed.

Maher said the union had lost an employee election Jan. 21, 1961 and filed a complaint before the NLRB that the firm had told workers the plant would be moved out of the state if the union won.

A second election was ordered. Maher said, in which the union won. The company then refused to accept the union as a bargaining agent and a second complaint was filed.

Maher said in a hearing on the second complaint last Aug. 14 in Paragould he found that there was insufficient evidence to prove that the firm had told workers the plant would be moved.

He ordered the first election certified and the second voided. The examiner also recommended dismissal of a complaint of the union that the manufacturing firm was not recognizing the union as a bargaining agent. Maher said he found that under direction of the union, employees engaged in a series of "quickie strikes" designed to settle the issue.

Union Strikes Plants in the Space Program

BURBANK, Calif. (AP)—Lockheed Aircraft Corp., one of the giants of the aerospace industry and a key defense contractor, was struck today by the International Association of Machinists.

Even before pickets appeared at more than a half-dozen Lockheed installations there were reports the federal government may intervene by invoking the strike-suspending provisions of the Taft-Hartley Act.

Only two of Lockheed's nine divisions are involved in the strike, but these two employ about two-thirds of the company's work force.

The struck facilities include Lockheed-California Co. plants at Burbank and Van Nuys, and Lockheed Missiles & Space Co. installations at Sunnyvale, Van Nuys and at the Vandenberg Air Force Base, Calif., missile test center.

Also struck are Lockheed facilities at the Cape Canaveral missile test center in Florida and at Honolulu, Hawaii.

The union says about 20,000 union members are taking part in the strike. It says 31,000 Lockheed employees, including union and non-union workers, are affected.

The company says work on the Polaris missile and other defense items will be slowed but not stopped.

Negotiations broke down about an hour before the strike began. The chief unresolved issue was whether employees would be permitted to vote on setting up a union shop—under which all eligible workers would be required to join the union to keep their jobs.

Airline Plan for Merger Rebuffed

By VERN HAUGLAND

WASHINGTON (AP) — Two of the nation's largest airlines — American and Eastern — pursued their plans for a merger today despite a sharp rebuff from a Civil Aeronautics Board examiner.

Spokesmen for both airlines said they would continue to seek CAB approval of a merger despite the adverse recommendation Tuesday by examiner Ralph L. Wiser.

Wiser, who heard arguments on the proposal for several months, said the merger would tend to create a monopoly.

He said neither airline is a failing business or unduly weak. Thus he said, the merger could not be justified on the basis of business necessity.

American is the nation's second largest carrier. Eastern is the fourth largest.

The five-man board will consider Wiser's recommendation and present its findings to President Kennedy who has responsibility for the final decision because international routes are involved.

The airlines' statements that they will continue to fight for merger approval brushed aside industry speculation that they might give up.

Under terms of the agreement either party could withdraw if the merger was not approved by Nov. 30.

An Eastern spokesman said the financial condition of the industry was so critical due to competition that unnecessary duplication of

D. B. Russell and Charles of Dallas, Tex.

Miss Mary Charlene Horton, Crossett, spent the Thanksgiving holidays with Mr. and Mrs. F. M. Horton.

The J. T. Bowdens had as holiday guests their daughters, Ginger of Ouachita Baptist College, and Marsha of Tyler, Tex.

Mr. and Mrs. Ed Thrash and Kathy were the weekend guests of Mr. and Mrs. Hugh Brown in Dallas, Tex.

Mr. and Mrs. L. F. Slattor took his mother, Mrs. B. F. Slattor of Delight, to Dallas, Tex., last week for surgery. It was successful, and all have returned to their respective homes now.

Dr. and Mrs. Mrs. S. A. Whitlow and Mr. and Mrs. John D. Whitlow and son, all of Little Rock, spent Thanksgiving with Mr. and Mrs. Jewel Moore, Jr. and family.

Rev. and Mrs. Theron King, West Frankfort, Ill., and Miss Helen King, Southwest Baptist Seminary, Ft. Worth, Tex., have been visiting Miss Aurie Huntley and Mrs. Mary Jaeger.

David Spillers, a student at Ouachita Baptist College, Arkadelphia, was the Thanksgiving holiday guest of Mr. and Mrs. A. R. Trout.

Mrs. Charles Reynerson visited with relatives in Amarillo, Tex., Thanksgiving.

Mr. and Mrs. Paul Rawson, Webb City, Mo., are visiting Dr. and Mrs. Lynn Harris and family Thanksgiving the group was joined by Mr. and Mrs. Paul Rawson, Jr. and family of Monroe, La.

David Haynes, Austin, Tex., Miss Michaela Thurgood and Mrs. Malcolm Thurgood, both of Wimberly, Tex., visited Mrs. Gus Haynes during the recent holidays.

Pope John Stricken With Flu

By BENNET M. BOLTON

VATICAN CITY (AP) — Pope John XXIII's personal physician came to Rome today and went to the Vatican where the 81-year-old pontiff is stricken with influenza.

Dr. Antonio Gasbarrini, who has his offices in Bologna, came by train to Rome as the head of the Roman Catholic Church was forced to cancel his usual Wednesday general audience.

The Vatican press office, in a statement issued at noon, said: "Today the Holy Father did not hold his usual Wednesday general audience because he is slightly indisposed."

Earlier it was announced the Pope had influenza.

Vatican sources denied reports in Rome papers that the pontiff would undergo an operation for prostate trouble before Christmas.

Pope John is said to have had a prostate condition for several years but he looked in excellent health when he celebrated Mass at the Pontifical Propaganda Fide University on his 81st birthday last Sunday.

First indication that the pontiff was ailing came when he canceled some private audiences with bishops Tuesday afternoon. The Vatican press office said he had a slight cold that developed into influenza.

Despite the unofficial denials that the Pope is about to undergo an operation, Rome papers continued to give big headlines to the report that preparations are being made for surgery.

Il Messaggero said an operating room was being fitted out in the Vatican Palace and that the operation would take place Dec. 11, three days after the Ecumenical Council goes into recess for nine months.

Negotiators Return to Cuban Issue

By TOM HOGE

UNITED NATIONS, N.Y. (AP) — U.S. and Soviet negotiators on the Cuban crisis return to the bargaining table today for the first time in six days.

U.S. Ambassador Adlai E. Stevenson discussed the situation with President Kennedy in Washington Tuesday, then flew back to New York for the meeting with Soviet Deputy Foreign Minister Vasily V. Kuznetsov and possibly First Deputy Premier Anastas I. Mikoyan. Mikoyan is scheduled to meet Kennedy in Washington Thursday.

routes and facilities must be ended.

A spokesman for American which lost its size leadership last year when United and Capital Airlines merged, said the American Eastern merger proposal is in the public interest. We are therefore confident that it will be approved.

A spokesman for Delta Air Lines, a leading opponent of the merger plan, said the CAB "cannot reverse the examiner" because his conclusions were sound and in accordance with the law.

After the parties have filed exceptions to the examiner's recommendations, oral arguments will be held before the five-man board.

Wiser said the merger would create "economically significant monopolies," particularly in the New York, Washington and Boston markets, and by restraining competition could jeopardize Northeast Airlines.

MAN ON THE SKEWBALD MARE

By NELSON C. NYE

THE STORY: Rafe learns that Wilbur Pike, who rescued him from the desert, is a doctor. Rafe is anxious to get away from Pike's place.

When she came in she had a pad and a pencil. The sawed-off Greener had been left behind. She sat down near the door and said, pencil poised, "Your full name, please."

"Rafe . . . Rafe Bender." He'd been minded to give her some made-up monicker and was a little surprised to find he'd stuck to the truth. She looked a little strange, to her mouth partway open. But she wrote it down, then said crisply, "Date and place of birth, father's name, maiden name of mother, name and ages of brothers and sisters."

When she'd put that all down she was silent for a spell, apparently considering. At last with a sigh she passed on to army experience, rank and outfit, finally asking the date of his discharge. If she missed anything Rafe wasn't aware of it.

Resentment made him testily say, "If your old man during the war was such a comfort to Grant howcome the people 'round here ain't beat no path to his door?"

"Oh, he does most of his work at the office. As County Health Officer and coroner he has a place at the courthouse next door to the sheriff. Actually he doesn't really practice much now, only accepting professionally those cases which interest him personally."

"The well-heeled ones, I reckon," Rafe said.

"You were in the war." She said defensively, "You know the kind of things he had to do without anesthetics, half the time without proper medicine. He came out here to forget."

"And when that didn't work he took to hitting the bottle," Rafe said, warming up to it.

She looked indignant. She came out of the chair with her eyes like daggers and, with her cheeks white and stiff, marched out of the room, pausing only to slam the door shut behind her.

Perry said the intent of the law is to prohibit solicitation of votes on election day and to prevent one side from having an unfair advantage by getting in last minute political statements.

He argued that the Alabama act denies no freedoms "other than those necessary to have reasonable order in an election."

Stevenson and John J. McCloy head of Kennedy's Cuban coordinating committee, were reported anxious to find out what stand Mikoyan would take before he

Rafe, somewhat abashed though not honestly ashamed, rather nervously wondered if she'd gone after that twin-barreled field piece. When after several moments she had not reappeared he cautiously let the rest of his breath out. If he was going to build a dust, now was the time to get started. With the sheet gathered around him he tiptoed over to the door.

After standing for a bit with his ear squeezed against it he

INSURE TO BE SURE With **Roy Anderson** Insurance Agency

Roy Anderson — George Frazier

caught a series of thumps, the bang of a stoveid, followed by the clatter of tinware and china. Fixing lunch, he decided, and eased the door open.

He saw an oilcloth-covered table, four chairs primly lined up in front of the wall beneath it. He guessed this was where they generally put on the food bags, and moved out a step to scan the rest of the room. Straightway he saw, all washed and ironed, carefully folded on the seat of a horsehair sofa, his missing clothes.

His disreputable hat was on the floor nearby, along with his run-over boots and scuffed shell belt. Vastly relieved he scooped them up and lost no time getting back to the girl's room where he clapped on his hat, stomped into the boots, and flung on the rest of his outfit.

He got his gun belt around him and buckled it. He still felt a little woozy but he daren't let that stand in his way now. Out of habit he slipped the pistol from his holster, checked the mechanism.

The upper half of the window was open but, shaking like he was, the acrobatics involved in such a mode of departure required more faith than Rafe was able to summon. He got the upper sash back where it belonged and was about to tackle the lower when he heard Bunny's step.

He flung up the screeching sash, threw a leg across the sill, squeezed hatted head and chest through and, frantically hauling the other leg up, levered himself out.

It wasn't much of a drop but he lit spraddled like a shot-gunned duck. Bunny's startled cry jerked him back to the realities. He got himself up and stumbled toward a corner of the house, half falling round it. Directly before him was a shed from which an inquiring whinny lent him the additional strength to find the door and drag it open. Bathsheba, his black-and-white spotted mare, sidled around with an impatient nicker.

Rafe found his brass - horned.

Severe Storm Lashes Coast
By THE ASSOCIATED PRESS

A severe storm off the South Atlantic coast continued today, causing rough seas and threatening further beach erosion from North Carolina to Florida.

Gale warnings remained displayed from Daytona Beach, Fla. to Cape May, N.J. Major effects of the storm, which is about 300 miles east of the Florida coast, have been to exposed shore areas with high tide flooding and beach erosion from the pounding seas.

Light rain fell in eastern parts of the Carolinas and east-central Georgia while it was generally cloudy and mild in most other sections of the Southeast.

Church Building Rally
The Pastor and members of the Church of God will sponsor a rally in the interest of the building fund Sunday, December 2, 1962, at 3 p. m.

Rev. Jimmy Jones, Pastor of Bethel A. M. E. Church will be guest speaker.

Churches invited are: St. Mark Baptist, St. John Baptist, Rising Star Baptist, Church of God, Toltette, Ark., Church of God, Blevins, Ark., Church of God, Prescott, Ark., and the Church of God in Christ, Hope, Ark. Rev. Jesse Graves, Pastor; Sister E. S. Conway, Secretary.

Hendrix Downs L.R. University

CONWAY, Ark. (AP)—Hendrix College defeated Little Rock University 63-59 Tuesday night after standing off a fierce five minute drive.

Hendrix had a 13-point advantage, 62-49, when LRU started closing the gap. With 1:01 left LRU had cut the lead to 62-59. Guard Andy Anderson scored the final Hendrix tally on a free throw.

Mickey Johnson led Hendrix scorers with 13 points. Joe Murphy and Lee Minor each had 10.

Freddy Easton topped LRU scorers with 19 points.

Johnson County has an area of 676 square miles.

Bobcats Open Basketball Season Sat.

By VINCE FOSTER
The Hope Bobcats have begun basketball practice this week in preparation for their season opener with Prescott Saturday night, December first. Also, the Lady Cats open their season with the Prescott girls that night.

For the second consecutive year, the Bobcat cagers are the defending district champions in Region 4AA. With seven returning lettermen the Cats should come out on top again this season. Those lettermen and their heights are: Earl Ray Murphy 6', David Porterfield 6'1", Jackie Russell 6', Vince Foster 6'3 1/2", Dan Jones 6'1", Tony Purdie 5'9 1/2", and Mack McLarty 5'6 1/2". Murphy is an all-district guard, and he and Porterfield are two year lettermen.

Gary Mayfield, 5'5" all-district guard from DesArk. should be an added help to the Cats. Also, moving up from the "B" team are: Bill Reinhardt 5'10", Paul Henley 6'1", Mike Allen 6'1", Larry Thrash 6', John Hughes 6'1", Johnny Honeycutt 5'11", and John Horton 5'10". Out of these fifteen will come 10 or 12 for the squad.

Coach Mitchell has stated that this could be the best team he's had; the ability is there, so it is up to the boys.

Teams Advance in Tournament
HARRISON, Ark. (AP)—Harrison said Parkview of Springfield, Mo. advanced to semi-finals of the Harrison Invitational Basketball tournament Tuesday night with victories over Mountain Home and Russellville.

Harrison downed Mountain Home 63-38 and Parkview whipped Russellville 57-40.

The first bath house in Hot Springs, was built in 1830.

Three of the teams, Pine Bluff's Zebras, Jonesboro and Holly Grove, had 11-0 charts.

The Zebras wound up as Big Nine Champions and were top-ranked in the final Associated Press schoolboy poll this week. Jonesboro was Region 2AA champion.

Region 1AA titlist Rogers went 10-0 and was ranked fifth. Lonoke District 5A and Greenland, the 1B winner, went 10-0.

Teams losing only one game were Clarendon, Helena, Nashville, Russellville, Marked Tree, Osceola, Clarksville and Beebe.

ion and Holly Grove heads Region 6B.

Billy Sixth in Nation in Scoring

NEW YORK (AP) — Arkansas quarterback Billy Moore and Bob Jenks of Miami, Ohio were tied for sixth place this week in national collegiate scoring, statistics released by the National Collegiate Athletic Bureau showed.

Moore and Jenks each had 84 points.

West Texas State's Jerry Logan is the leading scorer with 110 points on 13 touchdowns and 32 extra points.

Burdette May Be Next for Trading

By JOE REICHLER
Associated Press Sports Writer

ROCHESTER, N.Y. (AP)—Lew Burdette today was expected to follow Joe Adcock to other pastures in the unloading of Milwaukee's well-seasoned stars of the old glory days.

Adcock, a key man of the 1957-58 National League champions, was shipped to Cleveland Tuesday night in an inter-league trade that brought pitcher Frank Funk, outfielder Don Dillard and a third player to be delivered at a later date.

The Braves also sent along Jack Curtis, a left-handed pitcher whose contract was assigned to Cleveland's Jacksonville farm club in the International League.

Then in the wee hours of the morning, the Detroit Tigers solidified their sagging bullpen by acquiring right-handed pitcher Bob Anderson from the Chicago Cubs in exchange for third baseman Steve Boros.

It was the third deal in a week for Detroit, which is expected to use newly acquired John (Bubba) Phillips at Boros' position next season. Phillips came from the Cleveland Indians earlier this week for pitchers Ron Nischwitz and Gordon Eyried.

"This is just the start," said Bobby Bragan, new manager of the Braves.

Bragan did not specify that Burdette, who hurled three victories over the New York Yankees in 1957 in one of the greatest pitching exhibitions in World Series history, would be the next man to go. It is understood, however, that the Braves are committed to rid themselves of all their older big name players except Warren Spahn.

Burdette, 36, last season experienced his poorest campaign since the Braves moved to Milwaukee in 1953. The canny right-hander won only 10 of 19 decisions and completed only six starts.

Funk, a 26-year-old right-hander did a fine relief job for Cleveland in 1961 when he won 11 games but slumped to a 2-1 record last season before he was shipped out to Salt Lake City.

Dillard, 26, is a left-handed hitter who was used as a utility outfielder and hit .230 in 95 games for the Indians.

Adcock, 35-year-old right-hander with 270 home runs and a .282 lifetime average, dropped off to .248 last season but cracked 26 home runs and drove in 78 runs in 121 games.

Six Grid Teams Undeclared

By THE ASSOCIATED PRESS
Six Arkansas high school football teams wound up their seasons with perfect records and two more had only one tie to mar their efforts.

Three of the teams, Pine Bluff's Zebras, Jonesboro and Holly Grove, had 11-0 charts.

The Zebras wound up as Big Nine Champions and were top-ranked in the final Associated Press schoolboy poll this week. Jonesboro was Region 2AA champion.

Region 1AA titlist Rogers went 10-0 and was ranked fifth. Lonoke District 5A and Greenland, the 1B winner, went 10-0.

Teams losing only one game were Clarendon, Helena, Nashville, Russellville, Marked Tree, Osceola, Clarksville and Beebe.

ion and Holly Grove heads Region 6B.
